TO: LIGHTSPEED TRADING CUSTOMERS/TRADERS

FROM: OPERATIONS GROUP

SUBJECT: LIGHTSPEED INSTALLATION GUIDE

DATE: 6/25/2014

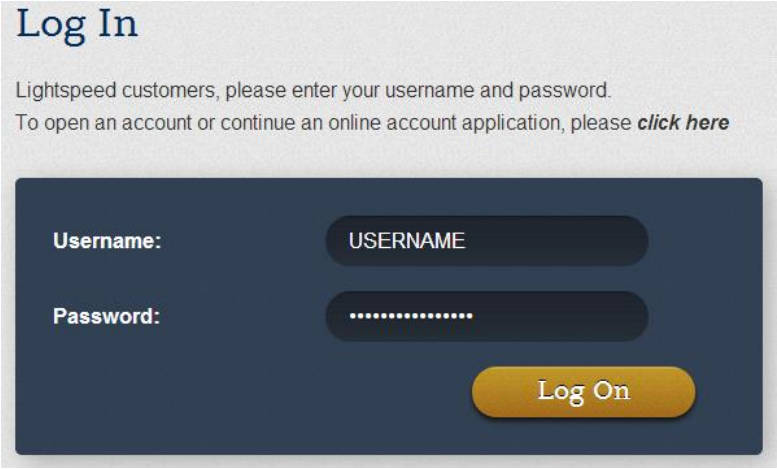
Thank you for choosing Lightspeed Trader!

This Memo will guide you through the Lightspeed Trader Installation for first time users. Please carefully follow this step by step guide:

1) To begin, please login to the http://www.lightspeed.com/ website using the credentials provided to you:

Select Log In and it will take you to the page seen right. Enter your credentials.

Please note that the password entry is case sensitive.



2) Once you are logged in, click "**Software Download**" from the Quick Links on the left of the page.

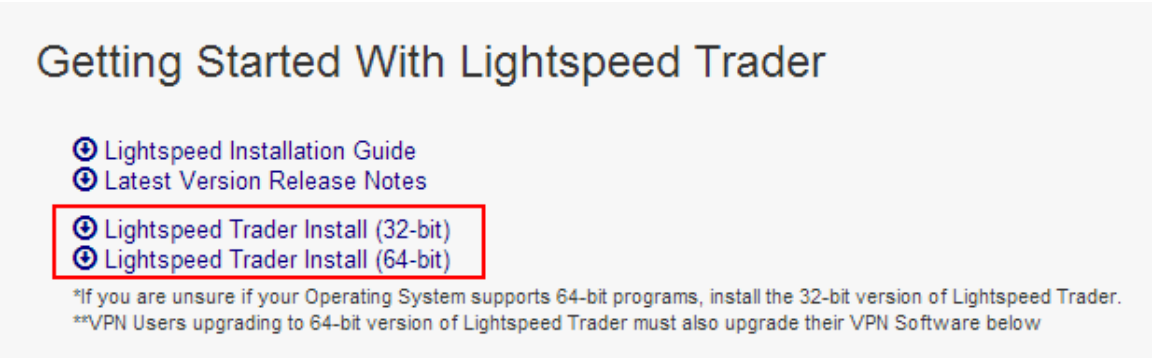
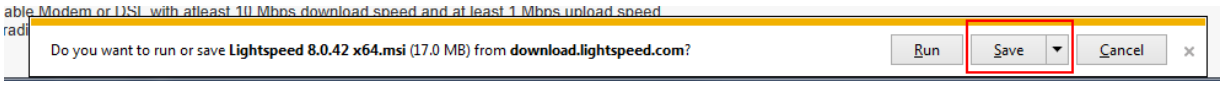
member FINRA, SIPC

3) This will take you to the screen seen below. Select which **Lightspeed Trader Install**, 32 or 64-bit in order to install the Lightspeed Trader software.
Note: If you are unsure if your computer supports 64-bit, always select 32-bit.



4) The following ribbon should appear at the bottom of your screen, confirming that you would like to download the Lightspeed software. Please select "**Save**" to Save the Lightspeed Install to your computer.



5) After the download has completed, a new ribbon will notify you at the bottom of the screen. Select Run:

6) Complete the directions in the Lightspeed Trader Installation and click **Close**. Now proceed to your Desktop to log in to Lightspeed Trader. You will see the Lightspeed Icon on your desktop, D**oubleclick the icon** and the login screen below will appear:
