TO: LIGHTSPEED TRADING CUSTOMERS/TRADERS

SUBJECT: FUTURES PRODUCT OFFERING

DATE: 9/2/2008

The Dollar continues to make significant gains against the Euro, the British Pound, and the Australian dollar. In addition, Light Sweet Crude Oil is hitting its lowest levels since April. As a result, trading activity in these products is also hitting record levels on the Chicago Mercantile Exchange.

Did you know you can trade these products on Lightspeed? Talk to your relationship manager about opening a Lightspeed Futures account today.
