

TO: LIGHTSPEED TRADING CUSTOMERS/TRADERS
SUBJECT: ITG ALTERNET PRICING AND FUNCTIONALITY CHANGE
DATE: 2/25/2014

Lightspeed is changing the functionality and pricing when accessing the ITG Trader AlterNet dark liquidity route.

<http://www.itg.com/liquidity>

AlterNet® Liquidity Partnership through our subsidiary, AlterNet Securities, Inc. can maximize the value of your retail, institutional, option, and international order flow and connect you to global liquidity sources.

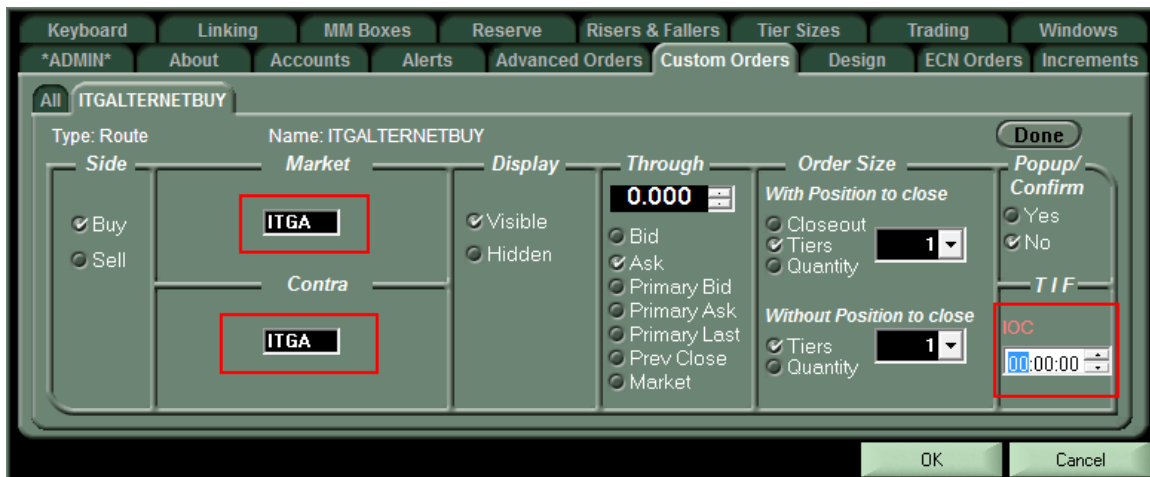

What is changing?

Beginning Monday March 3, 2014, orders to ITGA will now go to the street after attempting to execute within the AlterNet dark pool. For pricing please refer to our online pricing table at

<http://www.lightspeed.com/pricing/routing-fees/>

How do I send an order to ITG AlterNet?

To send an order, create a custom command as seen below or request to have it added to your order entry window.

To have the ITGA route, or any Lightspeed Trader supported route, added to your order entry window as seen below, please contact your Relationship Manager:
