What are the changes in this version besides general optimizations?

New Options Fees section for Net P&L

Moved "Display up to 2 Decimals" and added new input fields for option fees.

The screenshot shows the 'Design' window in Lightspeed Trader. The 'Net P&L' section is active. The 'Display up to 2 Decimals' checkbox is checked and highlighted with an orange box. The 'Option' section is also highlighted with an orange box, showing input fields for 'Base Rate', 'Remove Rate', and 'Add Rate'. The 'Equity' section shows 'Show Net P&L' checked. The 'P&L' section shows 'Last Trade' set to 'Traditional' and 'Colorize P&L & Net Chg' checked. The 'News' section shows 'News Source' set to '<Custom>' and three custom URLs.

Order execution price display

Sub-penny executions will display up to 4 digits.
