

SUBJECT: LIGHTSPEED TRADER MANDATORY UPGRADE

DATE: 10/1/2018

Please upgrade to the latest version of Lightspeed Trader 8.2.441.0. Please take a moment to upgrade now if you have not already done so.

[You can access the latest version here](#) or from your Lightspeed Trader About tab, as seen below:

Clicking the above button will download the latest version of Lightspeed Trader to your Desktop. Log out and run the install at your convenience.

Please be advised, all Lightspeed users who are not on Lightspeed Trader Version 8.2.441 or higher by Friday October 5, may not be able to log in.
