### What changes should I look for?

#### New “Large Popup”

The Order Entry Window can be enabled to act as a popup window. It can be triggered and modified with keyboard commands. Contact your relationship manager for access.

#### Stop Limit field in Order Window:

The Price field in the order window always displays your Stop Price. Add the new column to display your Stop Limit Price.

Important note: The Stop Limit Price will not be available after logging off and on.
